

### Student Voice Survey 2018 October Data and outcomes

The PE department would like to ask you a few questions about your experience in PE.

Please carefully read the following statements and share your opinion by tallying into the box to identify how many people in the class, “Always, mostly, half of the time rarely, Disagree or never” with the following statements. Make sure you only vote once.

Statement	Always	Mostly	Half of the time	Rarely	Never
I feel safe in PE	113	15	3	1	0
My Teacher expects me to try my best in PE	127	6	0	0	1
I know what level I am working at in PE	64	33	14	14	10
I know how to improve in PE	113	17	4	0	0
I enjoy PE	106	19	6	1	0
I have made progress in PE	99	18	8	3	3

Children did not have to vote on every question if they decided not to for whatever reason.

Do you participate in any after school PE clubs? (Please circle) Y  N

Do you represent any of the school sports teams? (Please circle) Y  N

Do you have any ideas about how to improve and benefit sport and PE throughout the school?

Y1: Play more games.

Y2: Play more throwing and racing.

Y3: Try different sports.

Y4: Use softer balls, get more equipment, have longer PE sessions and be more involved with the choosing of core tasks.

Y5/6: More combat sports needed, wide variety of afterschool clubs, use real yellow and red cards in all sports and more equipment.

How many of you are interested in these afterschool clubs?

Zumba	40
Gymnastics	63
<b>Dodgeball</b>	<b>108</b>
Hula Hooping	42

Archery	77
Multi-Sport	69
Street Dance	72
Get Up and Glow	91
Judo	67
Boxing	104

Outcomes:

- Mr Hoggart will ensure that he informs children of their grade in each core task each half term.
- More equipment will be purchased (as this is a consistent request from KS2).
- The school will run five new clubs (two being contact sport as requested).
- Mr Hoggart will work to engage the 48 children not participating in a sports after school club.
