3. To ensure all parents/carers of pupils, including vulnerable groups, have access to information produced by school (PEEP Project)

### **We will update our equality objectives every four years and will publish progress on them annually in our equality information**

We adopt a whole school approach to equality and consider it important for pupils to learn about equality and human rights. We adhere to the Equality and Human Rights Commission (EHCR) statement:

*'To reap the full benefits of equality and human rights education, it is essential to teach topics in an environment which respects the rights and differences of both students and teachers. Without an equality and human rights culture within the classroom and school as a whole, learning about these topics can at best appear irrelevant, and at worst, hypocritical. The respect and tolerance it teaches will help staff and students create a healthier, happier, fairer school culture, and could lead to reductions in bullying and other negative behaviour, and improvements in attainment and aspirations.'*

Though the Act refers to 'race', the use of ethnic/ cultural origin, background or heritage are more appropriate.
