Plea from Class 6

Post SATs, members of Class 6 are going to take part in a gardening revamp project. Over the past couple of months, some of the children in the class have taken an interest in improving the school garden during their breaks and lunch times. Because of this, Miss Denham has planned to incorporate this into their maths lessons, involving consolidation of key maths skills to support their transition to KS3.

If you happen to have any contacts or know anyone who can help to donate some gardening materials, this would be hugely appreciated. If your child is not in Class 6 but you can help, please message your child's class teacher, on Class Dojo, who can pass on the message to Miss Denham. Thank you.
