Message from Mrs Costello (Headteacher)

We've made a great start to the new term and it has been lovely to start getting to know the children and to share the work that they've been doing in class. This week, I've seen some brilliant geography work and also some wonderful writing and maths across the school. We had a visit from our Leadership Adviser from the Local Authority today and he was really impressed by how polite, focused and hard-working our children are. They are a credit to our school.

The weather has taken a turn for the worse. Please can parents ensure that children remember to bring a suitable coat each day to wear at playtimes.

Reading Reminders

At West Cornforth we love reading and we believe that reading is the key to all learning. There are few things as powerful as regular reading at home. All children should be bringing home their reading books each night to practise. I'll be checking reading records from next week and rewarding those who regularly read at home.

Times Tables Rockstars League

Learning times tables is really important. After all, they're the building blocks of maths, and with your multiplications mastered, you can do anything! Times Tables Rockstars is a fun way to practise. The children can compete against one another and earn points to customise their Rockstar. Please encourage your children to login at home. We are running a competition across school and Year 5 are currently in the lead. **Well done Year 5!**

Attendance

Holiday Policy

"Parents should plan their holidays around school breaks and avoid requesting leave of absence for holidays unless it is unavoidable. As leave of absence is only granted in exceptional circumstances, it is unlikely that your child's headteacher will agree a leave of absence for a family holiday."

"If permission is refused and you keep your child off school on the days requested, you are likely to be committing an offence and be issued a fixed penalty notice or be prosecuted by your local authority."

Attendance Targets

Our attendance target is 96%.

This week Reception and Class 4 beat our target. **Reception had the best attendance overall with 100%!**

Special Educational Needs and/or Disabilities and Additional Support Event

Does your child have special educational needs and/or disabilities? Does your child receive additional support from school staff, or outside agencies? Do you feel like you need to speak to a professional and/or Miss Gregg (SENCO) about your child?

If you answered yes to any of these questions, then this is the event for you!

We are holding a coffee morning for parents/carers of children with SEND to attend on Friday 10th November. The event will start at 9am and finish at around 11am.

This event will be informal, and it is an opportunity for parents/carers to network with other parents/carers, professionals and Miss Gregg (SENCO). We have invited a whole host of professionals/services to attend our first coffee morning of the year. If you are interested in coming along, please message Miss Gregg on Class Dojo. Further information will be provided via Class Dojo closer to the date of the event.
